

INTRODUCING FROG VIP™ & FROG® BALANCING BASICS™ KIT

Make startup & water care easy for all your hot tub & swim spa customers!

The FROG Balancing Basics Kit is a much easier way to get started and includes FROG VIP, a dedicated, professional support network.

Kit Includes these **5** FROG Hot Tub and Swim Spa Support Chemicals with the Exclusive FROG TruDose™ Cap for Easy Dosing.

FROG DropH™
Decreases pH & Alkalinity

FROG JumpH™
Increases pH

FROG TArget™
Increases Total Alkalinity

FROG SooTHE™
Increases Total Hardness

FROG StoMPS™
Non-Chlorine Oxidizing Shock

FROG TruDose Cap – the True Difference Maker in Hot Tub & Swim Spa Support Chemicals!

The FROG TruDose Cap on each product seals the bottle tightly and measures the product precisely.

Easy to follow charts + easy dosing = no more guessing!

The Kit Includes a FROG VIP membership for your customers

- Personalized hot tub and swim spa water care guidance & troubleshooting help
- Prioritized contact line - call, text or chat at **FROGproducts.com**
- World-class certified hot tub & swim spa operators ready to help
- To register, customers scan the QR code in FROG Balancing Basics Kit!

On the store shelf

Yes! You can sell each of the FROG Hot Tub and Swim Spa Chemicals individually on your store shelves. Use **FREE POP** to engage and educate your customers – get it at partners.kingtechnology.com.

Extend your FROG line of products

FROG Hot Tub and Swim Spa Support Chemicals are for use with all FROG sanitizing systems and any other sanitizers. The FROG Balancing Basics Kit will **not** be sold on Amazon.

TWO PROGRAMS. MORE SALES. MUCH EASIER CUSTOMER SUPPORT.
