

NEW! FROG® Hot Tub Pipe & Jet Cleanser

The Deep Clean Your Customers Didn't Know They Needed

FROG® Hot Tub Pipe & Jet Cleanser is a professional-grade gel purge designed to pull that hidden build-up of body oils, lotions, cosmetics and grime out and leave the plumbing spotless. The result is the freshest water possible on every new fill.

The concentrated gel formula makes a difference!

Unlike other purge products...

- It is more powerful at flushing out the pipes
- It grabs hold of the gunk and pulls it out
- It is not watered down
- It is easier to use in single use packets or convenient tubes

Your Customers Will Notice

- Crystal clear water that's easier to manage
- Maximized performance from their sanitizer
- No flakes in the water
- Slower build up of Total Dissolved Solids (TDS)

Why Carry FROG® Hot Tub Pipe & Jet Cleanser?

Your customers may not realize that gunk builds up inside their hot tub or swim spa plumbing – but they know the symptoms: cloudy water, sanitizer that doesn't seem to work, and more frequent maintenance headaches.

By offering FROG® Hot Tub Pipe & Jet Cleanser, you provide a premium solution that solves an invisible problem and builds customer trust. Each use delivers a powerful purge that makes ongoing water care easier, while boosting the effectiveness of FROG® sanitizing systems.

Retailer Benefits:

- **Drive Repeat Sales** – Every drain/refill creates an opportunity to sell
- **Increase Customer Satisfaction** – Cleaner starts = fewer complaints
- **Add Value to Every FROG® Sale** – Complements FROG @ease® or FROG Serene®
