

NEW! FROG® Maintenance Products

ONE TRUSTED BRAND. MORE FOR CUSTOMERS TO LOVE.

From day-to-day maintenance to common challenges like foam, surface grime, metals and staining — FROG makes maintenance simple. Formulated to work seamlessly with FROG @ease® and FROG Serene® products. Compatible with all other sanitizers.

FROG® SURFACE & COVER CLEANER

Works above the waterline and eliminates stubborn oils, scum, scale, dirt and odor without harsh chemicals.

- Cleans, protects and restores in one step
- Water-based, non-corrosive and safe for all surfaces
- Eliminates odor
- **Order Code: 01-14-6505 / Case Quantity: 12**

FROG® DEFOAMER

Specifically formulated for hot tubs and swim spas to eliminate foam on contact.

- Fast-acting
- Long-lasting
- Easy pour bottle
- **Order Code: 01-14-6504 / Case Quantity: 12**

FROG® SCRUB PAD

Great for hot tubs, swim spas, pools, outdoor furniture and more.

- Made from crushed walnut shells
- Powerful scrubbing action
- Reusable, long-lasting and non-scratch
- **Order Code: 01-14-6658 / 2 PDQs, 20 Scrub Pads per case**

FROG® METAL REMOVER

Removes damaging metal deposits including copper, iron and manganese. When used with fill water it prevents staining and metal accumulation from the start.

- Prevents stains on surfaces and equipment
- Eliminates water discoloration
- Protects surfaces and equipment life
- Approved to work with FROG @ease
- **Order Code: 01-14-6507 / Case Quantity: 12**
